

# Comments for Planning Application TP/ED/26/0104

## Application Summary

Application Number: TP/ED/26/0104

Address: Whitegates Park Middlemuir Road Lenzie East Dunbartonshire

Proposal: Erection of a secondary school including road access, landscaping, car parking, sports pitches, recreational areas and associated development.

Case Officer: Fraser McNair

## Comment Details

Commenter Type: Member of Public

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: I object to this planning application on the grounds:

1. The proposed site has previously been documented as contaminated
2. Previous proposed building of an ASN school on this land was deemed unsuitable due to land contamination
3. Loss of local amenity enjoyed by residents & members of the public
4. Disturbance/destruction of fauna & wildlife.
5. Traffic to & from the site leading to congestion on already busy roads.
6. Cost of building a new school on this land is inestimable & would be born by council tax payers for many years into the future
7. A new school could be built on existing Lenzie Academy site
8. Lenzie Meadow Primary school was built in tandem on the site of Lenzie Miss Primary School
