

Comments for Planning Application TP/ED/26/0104

Application Summary

Application Number: TP/ED/26/0104

Address: Whitegates Park Middlemuir Road Lenzie East Dunbartonshire

Proposal: Erection of a secondary school including road access, landscaping, car parking, sports pitches, recreational areas and associated development.

Case Officer: Fraser McNair

Comment Details

Commenter Type: Neighbour

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: I formally object to this application as whitegates park is too small for a full secondary school with all the required parking access roads and pitches. I live on Middlemuir Road which will be heavily affected by traffic. This street is narrow and not designed to accommodate this level of traffic movement. Moving the school to Whitegates park will cause chaos in the surrounding streets. The current site at Myrtle already has established infrastructure which works perfectly well. I am also extremely concerned as a local resident about the potential flooding of my property.
