Comment Reasons:

Comment [REDACTED] take me on walks to the park with our dog. I love the animals: I like seeing the birds, foxes, and deer that live in the park. If you build the school, they won't have a home anymore. I like the trees: The trees and the big grass area are where I run and play. It takes a very long time for new trees to grow big like these ones. Clean air: The park helps keep the air clean so I can stay healthy. Please don't take away my future. Even a [REDACTED] knows the proposal is stupid.
