Planning Applications East Dunbartonshire Council

Subject: Objection to Planning Application TP/ED/26/0104 – Proposed Secondary School at Whitegates Park

Dear Sir/Madam,

I am writing to formally OBJECT to Planning Application TP/ED/26/0104 for the construction of a secondary school at Whitegates Park, Lenzie. My objection is based on material planning considerations, including ecological impacts, loss of designated open space, conflict with National Planning Framework 4 (NPF4), and failure to demonstrate biodiversity enhancement

My objections are based on the following Material Planning Considerations

Drainage and Flooding: There are concerns regarding the increased "hard standing" area and its impact on local water run-off and potential flooding risks for neighboring properties.

Environmental Impact: The loss of green space at Whitegates represents a significant blow to local biodiversity and the "Green Network" outlined in the Local Development Plan (LDP). **Traffic and Infrastructure:** The proposed access routes are already operating at peak capacity. This development will significantly increase congestion on our residential streets, posing a safety risk to all young children playing in the area as well as pedestrians and students.

I request that East Dunbartonshire Council REFUSE Planning Application TP/ED/26/0104

I would be grateful that these points be fully considered by the Planning Committee. Please acknowledge receipt of this representation and confirm it has been registered against the application.

Yours faithfully,

[REDACTED]
