## Comment Details

Commenter Type: Neighbour

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: I formally object to the new school at Whitegates park as my friends and I use it to play with friends. It's essential to our wellbeing and our right as local young residents in Lenzie to have this outdoor green space. I have lived in this house since I was born and I cannot imagine not having this green space available to me. Building a new park in Myrtle is not an adequate replacement. As a current pupil at Lenzie Academy I do not want my new school to be built on a contaminated site.
