

VIBRATING TOOL ASSET REGISTER

Name		Trade				
Tool Type	Manufacturer	Make/Model	Date Measured	Measured Vibration Magnitude (m/s ²)	Time to reach RESTRICTED EAV (per day)	Time to reach RESTRICTED ELV (per day)

Notes:

- All times are cumulative i.e. Using a combination of tools the maximum working times will be reduced
- Under no circumstances are employees permitted to be exposed to vibration levels above the ELV

Associated Risk Control Documentation:

- H&S Policy HSP06 – Occupational Health Policy
- H&S Procedure SP07 – Management of Vibration
- H&S Form J01 HAVS Generic Vibration Risk Assessment
- H&S Form J06 HAVS Task Based Risk Assessment
- Toolbox talk #21 – Vibrating Tools
