

# Comments for Planning Application TP/ED/26/0104

## Application Summary

Application Number: TP/ED/26/0104

Address: Whitegates Park Middlemuir Road Lenzie East Dunbartonshire

Proposal: Erection of a secondary school including road access, landscaping, car parking, sports pitches, recreational areas and associated development.

Case Officer: Fraser McNair

## Comment Details

Commenter Type: Neighbour

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: I am against the loss of this public open space which I use with my friends to play football I also don't want my school to be built on contaminated land. I want my school to stay on the same site because it is safer and not as far away as the new school will be at Whitegates Park. This park is heavily used by people of my age for recreation and there are very few spaces like this park in this area.
