Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: I am writing to object to the above planning application. My objection is based on material planning considerations, particularly the proposal's conflict with national Green Belt policy, harm to the openness of the area, loss of public recreational land, and avoidable environmental and infrastructure impacts.

1. Safeguarding the countryside from encroachment
2. Preventing urban sprawl
3. Encouraging the reuse of brownfield land before releasing Green Belt land
4. Loss of Public Parkland and Recreational Space
5. Harm to Local Biodiversity and Green Infrastructure
6. Traffic, Parking, and Highway Safety Concerns
7. Availability of Alternative Sites

Thanks.
