With regards to the proposed planning for Whitegate Park i would like to make a formal objection , on the basis of previous council appraisal on 2018 (Mason Evans 2018,ASN Appraisal 2018 ) and a further appraisal 2022 doc number (PNCA/077/22/AB) .These reports and the hazardous waste aspect rings warning bells for all local residents ,many other aspects have not been looked into with a open mind as this site is being pushed by the local authority .
