

Comments for Planning Application TP/ED/26/0104

Application Summary

Application Number: TP/ED/26/0104

Address: Whitegates Park Middlemuir Road Lenzie East Dunbartonshire

Proposal: Erection of a secondary school including road access, landscaping, car parking, sports pitches, recreational areas and associated development.

Case Officer: Fraser McNair

Comment Details

Commenter Type: Neighbour

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: I am using my dad's login to write my objection.

My reasons for objecting are: when I was younger, at school, I was told the school was being built on Whitegates playing fields instead of Whitegates park. I find this strange because the address is now Middlemuir road in Lenzie and this misled me along with other pupils from my school.

This is under UNCRC as per article 12: Policy and Decisions.

The second reason is the fact I am losing a park I used to play on everyday and still occasionally do play on that park. This also breaches the right of article 31: The right to play. The school being built will leave kids with nowhere to play locally.

The third reason is you are taking the natural habitat away from bats, deer, rabbits and heron. All of which I have seen regularly in the park.
