

Help to read, write, talk and listen

 A collection of colorful alphabet blocks, with the letters A, B, and C prominently displayed in the foreground.	Reading, writing and talking are how we communicate, work and live.
 A red circular button with a black border and the word "HELP" in yellow capital letters.	The Council offers support to adults across East Dunbartonshire who want to improve their literacy skills.
 A red square button with a white speech bubble and a curved arrow pointing from the bubble to the right.	That includes reading, writing, speaking and listening.
 A green thumbs up icon, representing approval or support.	Don't worry or be embarrassed – we're here to help!
 A group of stylized human figures in various colors (red, orange, yellow, green, blue, purple) standing together, representing a diverse community.	Our free confidential service focuses on the learner – tailored to individual needs and what you want to improve.

Our support is relaxed and friendly, with trained staff and volunteers supporting learners to achieve their goals.

It's a chance to:

- Boost your skills
- Gain qualifications
- Become more sociable and confident
- Improve your wellbeing and make positive changes

We will also help to guide future progression, working with other agencies.

If English is your second language – we can also help!

The Literacy team provides a free, friendly, confidential service to adult learners whose first language is not English and who live in East Dunbartonshire.

ESOL (English for Speakers of Other Languages) groups can help you to improve skills in speaking, listening, reading, writing, vocabulary, punctuation and grammar.

ESOL learners can also learn about English for everyday life – helping them to develop social, employment and personal skills.

We can help you to develop an Individual Learning Plan.

It's a chance to:

- Improve English language skills and confidence in using English
- Reduce barriers to learning
- Become more confident using English in everyday situations – for example, at the GP surgery, bank and supermarket, in employment and social settings, and using public transport

We will also help to guide future progression, working with other agencies.
