Subject: TP/ED/26/0104 Whitegates Park- PLANNING OBJECTION

Hi,

I am emailing to OBJECT to the current planning for whitegates park to be the location for the new lenzie academy.

OBJECT OBJECT OBJECT

It is a terrible idea and i live along monkland avenue with direct access to the park to walk my dog. If you make this a school you are ruining a key appeal for residents to live where they do as kirkintilloch is already ruined from st ninians and kirky high kids loitering around constantly.

Thanks
