Subject: Lenzie Academy relocation - objection

Dear Sirs,

I am a Lenzie resident and formerly worked in the [REDACTED]

I am totally opposed to the relocation of the school for the following reasons:

Obviously the main access will be via Initiative Road which is reasonable BUT the bulk of the local population lies to the west of the site, and the likely drop off points on Middlemuir, Laurel Avenue and Hazel Avenue are totally unsuited for the additional traffic.

Secondly I am not convinced that the school could not be rebuilt on the adjoining land at Myrtle Avenue.

Please take these comments into consideration along with the planning application.

Regards
