Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: I wish to register my objection for the removal of Whitegates park to build a the new Lenzie Academy. The park is used by my family and me not only for dog walking but also access to Kirkintilloch and the Leisure centre.

I have used this park for 50 years from it being waste ground to the wonderful green park that it is today.

I also object to the idea that building a new school on the existing Myrtle Ave site is not possible to be a contradiction by the council as this approach has been used in East Dunbartonshire multiple times and you are using this approach right now with Balmuildy Primary School.

Due to my home being close to the proposed new location, I would benefit from being closer to the new school for property values. This personal gain is outweighed by the potential loss of a heavily used green space for future generations.
