

Comments for Planning Application TP/ED/26/0104

Application Summary

Application Number: TP/ED/26/0104

Address: Whitegates Park Middlemuir Road Lenzie East Dunbartonshire

Proposal: Erection of a secondary school including road access, landscaping, car parking, sports pitches, recreational areas and associated development.

Case Officer: Fraser McNair

Comment Details

Commenter Type: Member of Public

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: Green space in Lenzie, and the surrounding area of Kirkintilloch, is rare and is precious. The use of Whitegates to provide a new Lenzie Academy (or any other building) cannot be undertaken.

The current Academy has sufficient vacant grounds to permit the building of the new school. When completed, the old building can be demolished for the provision of car parking and outdoor recreational facilities. There is very limited facilities around Whitegates park to permit safe access for cars, pedestrians, public transport and of course the young students.

It is time to see sense and use the current location to build a much needed Lenzie Academy.

Open your eyes and be realistic!
