Subject: Objection: Lenzie Academy at Whitegates Park

Dear Planning Team,

I would like to record my Objection to the planned development at Whitegates Park, relative to the construction of a new Lenzie Academy.

As a parent, local resident and East Dunbartonshire resident, I do not believe that the proposal adequately considers the transport and traffic logistics that will result. I do not feel the application sufficiently considered opinions and concerns throughout the development of the proposals, nor the value and potential SEPA requirements of the Whitegates area.

[REDACTED]

Very best regards,

[REDACTED]
