Subject: Objection to TP/ED/26/0104

Good morning

Please accept this email as my objection to the plans for the new Lenzie Academy being proposed for Whitegates Park. I'd be happy to provide my reasons if required but these will sound very similar to the array of issues already submitted by many local residents; contaminated land, questionable use of public money, destruction of wildlife, shady tactics used by those trying to organise this: let me know if you would like any more.

As a resident of Marina Way, Kirkintilloch - thanks.
