Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: I agree Lenzie Academy needs to be replaced but not by stealing green space from the community, that is unsafe to build on for numerous reasons. No reason why the same format of building the school on its original grounds cannot be done. I'm shocked you think Middlemuir, Hazel and Laurel are suitable for the amount of cars that has been mentioned as the streets are old narrower streets. I honestly think you're putting lives at danger.
