Comment Details

Commenter Type: Member of Public

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: This proposal would result in the permanent loss of a park which is a protected open area conflicting with LDP policy 7 and LDP policy 13.

The planning service concluded that development on the park at Whitegates would be unacceptable in planning policy terms therefore the council already assessed that the site was unsuitable.

There is also a TPO on some of the trees at the site .
