Comment Details

Commenter Type: Member of Public

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: I wish to object to the erection of a school on this site on the grounds that Whitegates Park is a designated protected open space and part of the Green network and EDCs own open space strategy. The infrastructure proposed will result in significant detrimental impact on wildlife and mature trees as well as a loss of usable open space for the community and impact on the residents in the local area.
