Covering Letter – Submission of Objections

[REDACTED] Kirkintilloch & Lenzie East Dunbartonshire

To: Planning Department East Dunbartonshire Council 12 Strathkelvin Place Kirkintilloch G66 1TJ

Date: 29.4.26

Dear Planning Officer,

Re: Submission of Individual Objections – Planning Application TP/ED/26/0104 (Proposed Secondary School at Whitegates Park, Lenzie)

On behalf of [REDACTED] I am submitting **over 100 individual objections** from residents regarding the above planning application. These objections have been prepared and written by members of the local community who wish to ensure their views are formally recorded as part of the statutory planning process.

Many individuals in our community have been unable to navigate the planning portal to submit their objections, having the opportunity to submit an objection on paper has been invaluable to those who wish to make representations.

The volume of responses reflects the **strength of public concern** about the proposed development at Whitegates Park, particularly in relation to environmental impact, loss of valued green space, traffic and access issues, and the adequacy and transparency of the site-selection process. Residents have engaged constructively and in good faith, and they expect their representations to be given full and proper consideration in line with planning legislation and East Dunbartonshire Council's own procedures.

We respectfully request that:

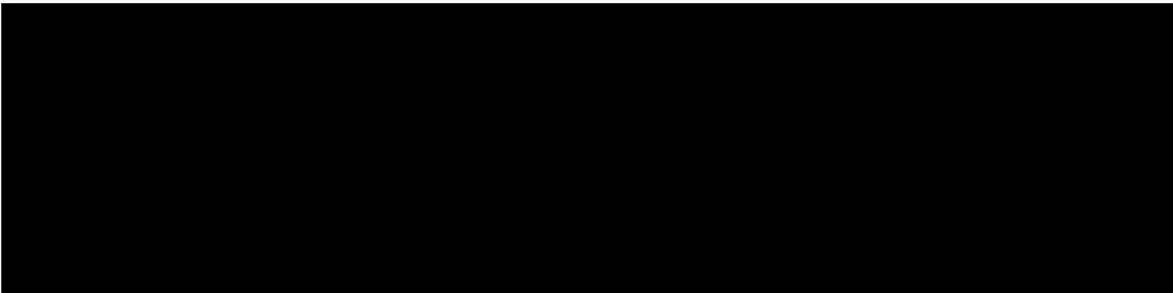

1. **All enclosed objections are logged individually** and acknowledged as separate submissions.
2. Each objection is made available on the planning portal in accordance with normal practice.
3. The Planning Authority ensures that all material considerations raised by residents are addressed in the assessment of TP/ED/26/0104.

[REDACTED] remains committed to constructive engagement with the Council and the planning process. We trust that the significant level of public participation will be recognised as an important part of democratic scrutiny and community involvement in local decision-making.

Please confirm receipt of this submission at your earliest convenience.

Yours faithfully,

[REDACTED]
