Comment Reasons:

Comment: I wish to strongly object to the proposal to build the new Lenzie Academy on the Whitegates site. Having lived in Woodside Avenue for 40 + years Whitegates Park has always been part of our walking route either for recreation purposes or accessing the various shops & facilities nearby. It is a welcome escape from the traffic noise of all the busy roads close by. Woodside Avenue already has more traffic now than in recent years & building a school on this site will only make that worse. I am also concerned for the habitat of the wildlife to be found there. As far as I'm aware this is a protected space & should remain so. I also believe the site was deemed unsuitable to build a school on previously & surely that still remains the case.
